

C2 Isometric Dots.

Note Title

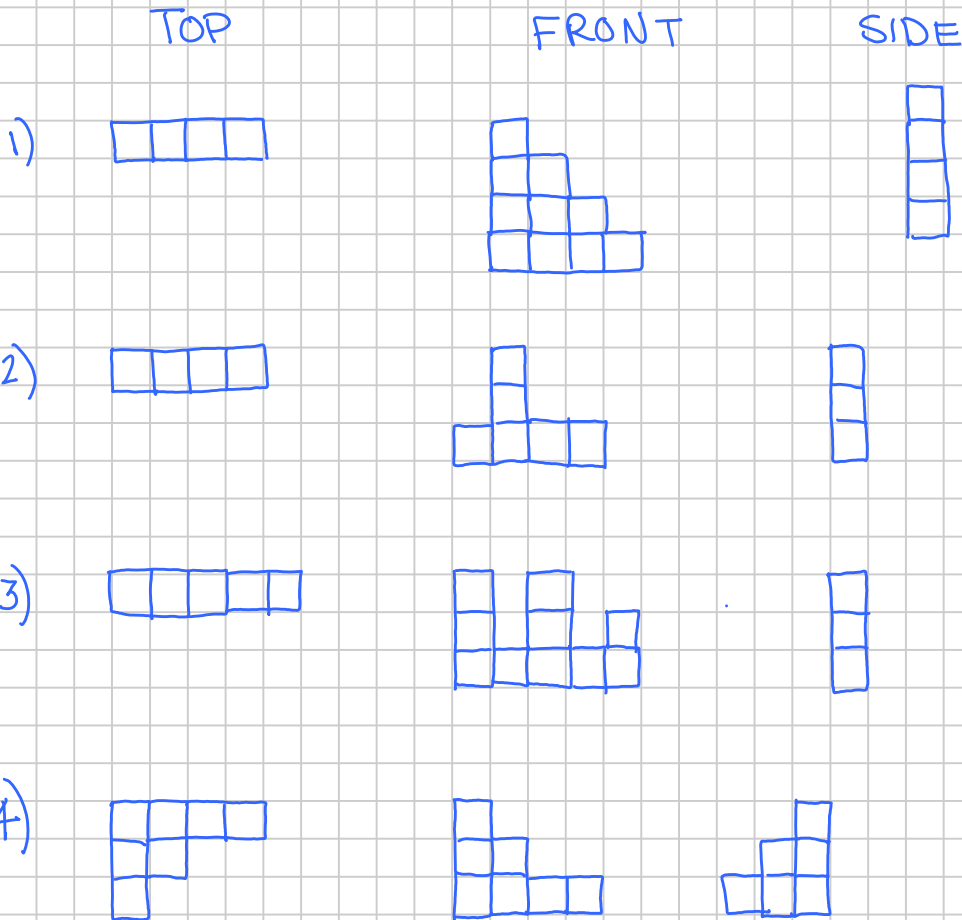

27/03/2013

Views take a 3-D object & we made them 2-D top, front, and side pictures.

Isometric dot paper makes drawing 3-D easier. you take 2-D top, front, side view & make a 3-D picture.

* dots line up vertically*

Examples

5) Give views from shape:
